

LIZ ANTOINETTE ANGUREN

FULL STACK DEVELOPER

Birth Date: 26.01.1998 | **Nationality:** Philippinisch | **Phone/WhatsApp :** (+63) 9086749456

Email: lizanguren12@gmail.com | **LinkedIn:** www.linkedin.com/in/liz-anguren/

Address: Saint Vincent Street, Daro, Dumaguete City 6200, Philippines

WORK EXPERIENCE

Full Stack Developer (Jan 2023- Present)

Coach Catalyst | Dumaguete City, Philippines

- Developed additional features for Coach Catalyst Website using Ruby on Rails.
- Proficient in Ruby programming language, adept at Object-Oriented Programming (OOP) concepts.
- Applied Tailwind CSS and Vue.js for improved user interfaces, alongside PostgreSQL for database management, and contributed to understanding of RESTful web services and APIs in modern web development.

Software Engineer (Feb 2022 – June 2023)

SenarySoft | Marikina City, Philippines

- Collaborated in a developer team, delivering two projects: an ASP.NET C# website and a hybrid mobile web application.
- Engineered accessible, responsive user interfaces for consistent user experience across devices.
- Identified and resolved bugs, enhancing web functionality and speed. Conducted code reviews to improve overall code quality and team collaboration. Implemented security best practices for robustness and integrity against vulnerabilities.

Computer Science Lecturer (Aug 2019 – Dec 2021)

Eastern Samar State University | Borongan City, Philippines

- Designed and executed curriculum for CS and IT students, incorporating current technology.
- Managed student records and academic performance metrics.
- Developed and implemented instructional plans aligned with course objectives, alongside creating website projects for school use.

Junior Web Developer (May 2018 – Dec 2018)

WinterWind | Borongan City, Philippines

- Contributed to building Coinflyer.com, a cryptocurrency trading site, focusing on website interfaces with HTML and CSS.
- Utilized PHP, MySQL, and JavaScript for programming requirements, conducted testing and troubleshooting pre-deployment.
- Managed translation team, assisted developers during understaffed periods, and conducted research on new technologies for website projects.

EDUCATION

MS in Computer Science

Cebu Institute of Technology-University, 2020 - Current

BS in Computer Science

Cebu Institute of Technology-University, 2014 - 2018

LANGUAGE SKILLS

Tagalog/ Waray (Native), **English** (B1), **German** (B1, improving)

TECHNICAL SKILLS

Programming Languages: Ruby, PHP, Java, C#, Python, JavaScript, Typescript

Frameworks and Libraries: Ruby on Rails, Vue.js, ReactJS, AngularJS, ASP.NET, Spring/Spring Boot, Laravel, Apache Cordova, Bootstrap, Django, Next.js

Web Development: HTML, CSS3, Tailwind CSS, SASS, jQuery, Ajax, GraphQL, REST, Node.js

Databases: MySQL, SQLite, PostgreSQL, MariaDB

Tools and Platforms: AWS, Linux, Vim, Visual Studio Code, Sublime, Eclipse, IntelliJ, Visual Studio

Project Management and Collaboration: Microsoft Office, Asana, Trello, Slack, Bitbucket, Confluence, Jira, Git, GitHub, SVN
